(Office hours: 0900-1400 Tuesday to Friday)

The Crypt School is pleased to offer a taste of what teaching involves in conjunction with G.I.T.E.P (Gloucestershire Initial Teacher Education Partnership). The day will include talks from a practicing teacher and from the GITEP course leader, observations of lessons and a tour of the school. You will have the opportunity to ask questions about the GITEP training course and meet some trainees, NQTs and pupils.
