

If you get this Error Accessing the Terminal Server.

This is due to a Remote Desktop Update released on the 28<sup>th</sup> October 2009

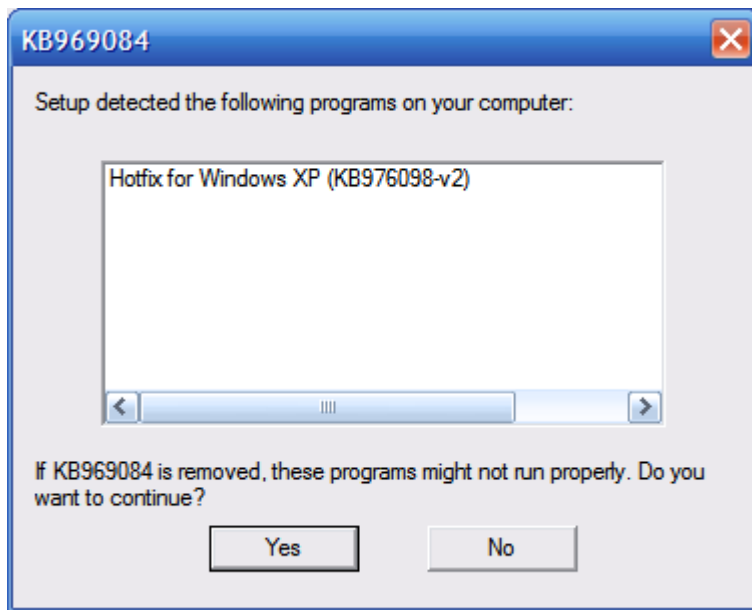

To resolve this issue for now please remove the update. Microsoft are aware of the issue and will fix it in a future release or update.

In Control Panel Choose Add remove Programs tick the box at the top that says Show Updates.

Once the list has populated goto Hotfix for Windows XP (KB969084) select it then press remove.

Choose Next you may then get a message similar to this

Chose yes and eventually finish.
